## **INFORMED CONSENT FOR TREATMENT**

Welcome to Graven & Associates, PLLC. This document contains important information about our professional services and business policies. When you sign this document, it will represent an agreement between us. Please read it carefully.

### **MINORS**

If you are under 16 years of age, please be aware that Kentucky law provides your parents the right to examine your treatment records and requires patients age 16 or above to sign all forms in addition to a parent/guardian. If this is a concern, please visit with your provider about this during your first visit. **Further, any patient under the age of 16 is required to have a parent/legal guardian present on the premises during all appointments.** Should a patient under the age of 16 present to the office for treatment without a parent/guardian or other previously authorized individual present, providers are unable to treat the patient. Should this occur, parent/legal guardian may be subject to a late cancellation fee of \$90.00.

I, \_\_\_\_\_ (PRINT PATIENT/PARENT/LEGAL GUARDIAN NAME), hereby agree and consent to participate in treatment/testing services provided by my Graven & Associates provider. I also agree and consent that Graven & Associates providers can consult with each other about treatment/testing or referrals within Graven & Associates. If the patient is under the age of 16 (as per Kentucky law) or unable to consent to treatment, I attest that I have legal custody of this individual and am legally authorized to initiate and consent for treatment on behalf of this individual.

### **APPOINTMENTS**

Our providers normally conduct a 45- to 60-minute intake evaluation. During this time, you can work with your provider to decide if they are the best person to provide the services you need in order to meet your treatment goals. You can discuss with them the frequency and type of therapy (i.e., individual, couples, family) that would be most beneficial to reduce your symptoms. Once an appointment time is scheduled, you will be expected to pay for it unless you provide 48 hours (2 day) advance notice of cancellation unless you and your provider agree that you were unable to attend due to circumstances beyond your control. Appointments scheduled for Monday must be cancelled by 4:00 PM on Friday. Please **do not** come to the office sick—this fee is waived in the event of illness or other circumstances at the discretion of Graven & Associates. Work, school and/or social obligations are not considered circumstances beyond your control. Insurance does not pay for missed sessions. **In addition, appointment reminders are a courtesy and it is your responsibility to know the date and time of your appointment.**

### **INSURANCE**

It is important to evaluate what resources you have available to pay for your treatment. If you have a health insurance policy, it will usually provide some coverage for mental health treatment. **However, it is your responsibility to know what your insurance policy covers and you (not your insurance company) are responsible for full payment of your provider's fees.** Further, your provider is not on every insurance panel so it is important that you verify the provider's participation in your network if you will be using your insurance benefits. **Ultimately, you are responsible for maintaining coverage through your health insurance.** You should also be aware that most insurance companies require you to authorize your provider to provide them with a clinical diagnosis. Sometimes your provider has to provide additional clinical information such as treatment plans, summaries of treatment, copies of an evaluation, or the entire record. By signing this Informed Consent for Treatment, you are giving Graven & Associates consent to provide treatment information to your insurance company.

### **PROFESSIONAL RECORDS**

The laws and regulations of this profession require that your provider keeps treatment records. You are entitled to receive a copy of your records, or your provider can prepare a summary for you instead unless precluded from doing so by federal or state law. Because these are professional records, they can be easily misinterpreted and/or upsetting to untrained readers. If you wish to see your records, it is recommended that you review them in your provider's presence so that the contents can

be discussed. Patients will be charged an appropriate fee for any professional time spent in responding to information requests.

### **CONTACTING YOUR PROVIDER**

Your provider may not be immediately available by telephone, but will make every effort to return your call within 24 to 48 business hours. When they are unavailable, Graven & Associates administrative team are happy to take a message for your provider or place you in their voicemail. If your provider will be unavailable for an extended time, you will be provided with the name of a colleague to contact, if necessary. If you are unable to reach your provider and feel that you can't wait for them to return your call, call 911 or go to the nearest emergency room and ask for the psychologist or psychiatrist on call.

### **ELECTRONIC COMMUNICATION CONSENT**

Electronic communication offers an efficient way to communicate with Graven & Associates. However, this medium is not without its risks. Communication by telephone, cell phone, text, mail, email, websites, fax, and the like are not secure and thus do not guarantee confidentiality. Though your provider takes many steps to protect confidentiality, if you choose to contact your provider via one of these methods, you are accepting the risk that a third party may intercept our communication. Graven & Associates will not be liable for improper disclosure of confidential information that is not caused by our intentional misconduct.

### **GUIDELINES FOR USE OF ELECTRONIC COMMUNICATION AND APPOINTMENT REMINDER INFORMATION**

- Phone calls are NOT appropriate for urgent matters or an emergency situation; instead please call 911 or go to your nearest emergency room.
- Providers typically check messages on a regular basis, however there may be exceptions to this. Most calls are returned within 24 to 48 business hours.
- Graven & Associates is not liable for breach of confidentiality caused by the patient or any third party.
- You are responsible for informing your provider of changes in your contact information including address, email, and phone numbers.
- Please do not request contact or connection with your provider via social media sites such as Facebook or Linked In. This is potentially a violation of your confidentiality and outside the boundaries of the therapeutic relationship.
- Graven & Associates will not email and/or text patients unless it is a means to confirm appointments. The best way to communicate with your provider is via phone, mail, or fax.

### **OVERVIEW OF CONFIDENTIALITY POLICIES**

In general, the privacy of all communications between a patient and a psychologist are protected by law, and your provider can only release information to others with your written permission/authorization. Your provider's general rule, should you see each other outside the office, is to not indicate your provider knows you unless you acknowledge your provider. To prevent a possible breach in confidentiality with awkward introductions, please avoid approaching your provider in public if they are with someone else.

There are a few exceptions to the rule of confidentiality. In most legal proceedings, you have the right to prevent your provider from providing any information about your treatment. Your provider will inform you if they receive a subpoena for your records. In some proceedings involving child custody and those in which your emotional condition is an important issue, a
